# Summer Camps at NYS Worksite Child Care Centers

May 7, 2015

Now is the time of year when parents are making plans to enroll their children in summer day camps. There are a number of NYS worksite child care centers that provide full-day summer camp programs for children ages 5 to 12.

If you are not already enrolled in the DCAAccount and you plan to send your children under the age of 13 to a summer day camp, you may want to consider enrolling in the Dependent Care Advantage Account (DCAAccount). Visit [www.flexspend.ny.gov](http://www.flexspend.ny.gov) or call 1-800-358-7202 and choose option 2 to talk with a Customer Service Representative about your eligibility for the employer contribution and how this valuable, money-saving benefit could help you with camp expenses.

Provided below is a list of NYS worksite child care centers which offer full-day camp programs. For information about other summer programs, employees may contact their EAP coordinator, or call NYS Balance at 1-866-320-4760.
