

Information Announcement

Flex Spending Open Enrollment Campaign October 3, 2016 – November 7, 2016

September 19, 2016

On behalf of the Governor's Office of Employee Relations (GOER), we are pleased to announce the 2017 enrollment campaign for the New York State Flex Spending Account (FSA) program. The FSA program allows State employees to make pre-tax payroll contributions that can be used to pay for eligible health care or dependent care expenses. The FSA program includes two important benefits for employees: the Health Care Spending Account (HCSAccount) and the Dependent Care Advantage Account (DCAAccount). Employees may choose to enroll in either or both accounts. More than 21,000 state employees are already taking advantage of these benefits in 2016 and GOER expects interest to continue to grow.

Employee contributions for the FSA program are deducted biweekly from an employee's gross pay and deposited into the appropriate account. After eligible services have been received, the employee submits a claim for reimbursement.

Enrollment Information

The open enrollment period for the 2017 plan year (January 1, 2017 through December 31, 2017) begins **October 3, 2016** and ends **November 7, 2016**. Participants who are currently enrolled in the program must re-enroll if they wish to continue their benefits in 2017. Employees may obtain enrollment information or request an enrollment book online at www.flexspend.ny.gov, or may call the FSA hotline at (800) 358-7202.

To simplify the enrollment process for employees, paperless enrollment will continue again this year, making it easier for employees to apply online. Employees with internet access will complete a simple online application. When they submit the application, they will receive an immediate e-mail notification that their application has been received and will be processed. Employees without Internet access, or those who prefer not to use online enrollment, may call (800) 358-7202, then select option 1, and a customer service representative will take the application information. Once their application has been processed, employees will receive written confirmation that their enrollment has been accepted, regardless of whether they enroll online or by phone.

Health Care Spending Account (HCSAccount)

At present, the annual contribution that an employee may make to the HCSAccount is \$2,550 for the 2017 plan year. The maximum contribution may be subject to change annually since it is indexed to inflation. Contributions are made through pre-tax payroll deductions and may be used for eligible health care expenses that are not covered by a health insurance plan.

Dependent Care Advantage Account (DCAAccount)

State employees may contribute up to \$5,000 per year per household in a DCAAccount for elder care, disabled dependent care, or child care expenses. Employees' contributions are deducted biweekly from their gross pay and deposited into the appropriate account. After eligible services have been received, the employee submits a claim form for reimbursement.

The DCAAccount Employer Contribution will end at the conclusion of the 2016 plan year due to the expiration of the collective bargaining agreements. Future availability of the Employer Contribution depends on the outcome of negotiations between the State and the unions. For Employer Contribution updates, please visit the FSA website at www.flexspend.ny.gov or call (800) 358-7202.

New Employees

New state employees hired on or before October 2, 2016 must enroll during the open enrollment period if they wish to participate in the Flex Spending Account for 2017.

New state employees who are hired during the open enrollment period of October 3, 2016 to November 7, 2016 may elect to enroll in the HCSAccount, the DCAAccount, or both, by submitting an open enrollment application by midnight November 7, 2016.

New state employees who are unable to enroll by the November 7, 2016 deadline because they have not been assigned a NYS EMPLID may enroll for the 2017 plan year by submitting a 2017 change in status application within 60 days of their hire date. The 2017 change in status application system will be available starting November 8, 2016.

2017 Open Enrollment Period
October 3 – November 7, 2016

What is the FSA?

The **Flex Spending Account (FSA)** is a state employee benefit that saves you money by allowing you to pay for certain expenses with pre-tax dollars. Under this program, you can choose either or both benefits:

The **Health Care Spending Account (HCSAccount)** currently lets you set aside any amount from \$100 up to \$2,550 for the 2017 tax year to pay for health care expenses that are not reimbursed by your health insurance or other benefit plan. However, only medically necessary medical, hospital, dental, vision, hearing, and prescription drug expenses for you, your spouse, and your eligible dependents can be reimbursed by your HCSAccount. The maximum contribution may be subject to change annually since it is indexed to inflation.

The **Dependent Care Advantage Account (DCAAccount)** allows your family to set aside up to \$5,000 in pre-tax salary for eligible custodial child care, elder care, or disabled dependent care expenses that are necessary for you and your spouse, if you are married, to work.

Who's eligible to enroll in the HCSAccount and DCAAccount?

Both benefits are open to New York State employees of Executive Branch state agencies, the Legislature, and the Unified Court System. Employees of the Roswell Park Cancer Institute, NYS Energy Research and Development Authority, New York Liquidation Bureau, and Environmental Facilities Corporation are also eligible to participate. However, employees who wish to enroll in the **HCSAccount** also must:

- be either permanently employed or expect to be employed for the entire calendar year in which they plan to enroll in the HCSAccount (employees who work on a semester or school year basis are also eligible)
- be annual-salaried
- work at least half-time
- meet the eligibility criteria for enrollment in the New York State Health Insurance Program (NYSHIP) and
- if an Executive Branch employee, be either M/C or represented by CSEA, PEF, UUP, NYSCOPBA, Council 82, PBANYS, DC-37, PBA, or NYSPIA.

Casual, seasonal, hourly, per diem, fee-basis, and session employees, as well as retirees, are **not eligible** to enroll in the HCSAccount. Employees of the SUNY Research Foundation and Health Research, Inc. are **not eligible** to enroll in either the HCSAccount or DCAAccount.

Apply online with our easy paperless application process

It is easy to enroll in the Flex Spending Account. Just submit your application for enrollment in either or both benefits online at www.flexspend.ny.gov. If you do not have access to the Internet, apply by telephone at **1-800-358-7202**. You will need your NYS EMPLID, which is located on your paystub, to complete your application.

The deadline for 2017 enrollment is November 7, 2016 and is strictly enforced. Please be sure to enroll by November 7. If you are enrolled for the 2016 plan year, you must re-enroll to continue your benefits in 2017.
