BSC Emergency Response Plan

September 2, 2016

As we prepare for the 2016 hurricane season, the BSC would like remind our customer agencies that the BSC is ready to assist you with any emergency response needs. The BSC Emergency Response Plan is posted on our website at <https://www.bsc.ogs.ny.gov>. The Plan is located on the bottom of the page under “Get Help”. We encourage all agencies to review this information and to reach out to the BSC with any needs. We have attached a PDF version of the BSC Emergency Response Plan for you to distribute to your employees.
