

Information Announcement

New York City Withholding Tax Change

July 14, 2017

Recent legislation on New York City personal income taxes requires changes to New York City withholding taxes for employees with taxable income of \$500,000 or less per year.

Effective July 1, 2017, the New York City Annual Tax Rate Table will incorporate a revised tax rate for taxpayers earning \$500,000 or less. This will affect employees who are residents of the City of New York.

OSC will update the New York City withholding tax table with the rates prescribed in publication of New York.

OSC will update the New York City withholding tax table with the rates prescribed in publication [NYS-50-T-NYC](#) (New York City Withholding Tax Tables and Methods) found on the NYS Department of Taxation and Finance website.

Effective Dates:

Institution paychecks dated July 6, 2017.

Administration paychecks dated July 12, 2017.

Agencies should notify affected employees.
