New *NYS-Ride* Program Website

On behalf of the Governor's Office of Employee Relations (GOER), we are pleased to announce the redesign of the *NYS-Ride* website. *NYS-Ride* is a popular negotiated benefit program sponsored by GOER and administered by WageWorks, Inc. that provides New York State employees with the opportunity to save money on eligible work-related public transportation expenses by paying for those costs (up to \$245 per month) on a pre-tax basis. More than 8,000 participants who use public transportation to get to work are currently enjoying the savings this program provides.

The *NYS-Ride* website has been updated to provide employees with quick access to all the information they need to know, including eligibility, how the Program works, and more. To visit the website, please go to www.nysride.com.

If you have any questions about *NYS-Ride*, please visit the website above or contact WageWorks customer service at 1-866-428-7781, or you may send an e-mail to commuterhelp@wageworks.com.
